

# ATE-660 & ATE-860

New design

 **TOPCON** Healthcare

The Topcon ATE-660 and the ATE-860 are the latest additions to Topcon's ophthalmic instrument table range. Both tables have been completely redesigned from the ground up, focusing on quality, durability, and convenience.

They accommodate your every need so slit lamps, refractometers, OCTs, tonometers etc. can be used ergonomically.

### CABLE MANAGEMENT

Both tables come with integrated power cables and network connections for convenient and effortless use. The power and network cable connections are integrated into the base of the table.

### MOBILITY

The ATE-660 and ATE-860 are equipped with smooth, durable locking castors.

### WHEELCHAIR BASE

Both models have the option of being delivered with a base without castors for easier wheelchair access.

	ATE-660	ATE-860
MAXIMUM LOAD TABLETOP	40 KG	40 KG
MAXIMUM LOAD PC HOLDER	-	10 KG
MAXIMUM LOAD TABLETOP 1 INSTRUMENT	20 KG	-
MAXIMUM LOAD TABLETOP 2 INSTRUMENTS	40 KG	-

MINIMUM TABLE HEIGHT WHEELCHAIR BASE	640mm	640mm
NETTO WEIGHT	30 KG	50 KG
GROSS WEIGHT	50 KG	80 KG
POWER SUPPLY	110-240 V	110-240 V
ELECTRICAL CLASSIFICATION	Class I, Type B	Class I, Type B

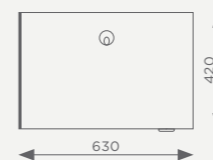

## ATE-660

The ATE-660 table is the latest addition to Topcon's ophthalmic instrument table collection. The table has been completely redesigned from the ground up, focusing on quality, durability, and convenience. In addition to high-quality and durable casters, the table comes with integrated power cables and network connections for convenient and effortless use. The ATE-660 also comes with the option of a fixed base (without wheels) to facilitate wheelchair access. The position of the elevation column can be either in a central position or moved to the side of the base. A subtly illuminated control button designed for use in low-light settings allows users to adjust the tabletop height by 300 mm.

The ATE-660 has three different tabletop options. You can also choose whether you want the column in the middle or on one side.

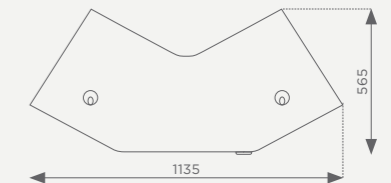

1 ATE-660 Tabletop single suitable for 1 instrument 630 x 420 [mm]

2 ATE-660 Tabletop dual suitable for 2 instruments 840 x 420 [mm]

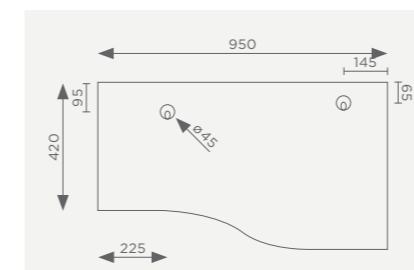

3 ATE-660 Tabletop V-shaped suitable for 2 instruments 1136 x 566 [mm]

## ATE-860

The ATE-860 table has been completely redesigned from the ground up, focusing on quality, durability, and convenience. In addition to high-quality, durable wheels the table comes with integrated power cables and network connections for convenient and effortless use. The ATE-860 also comes with the option of a fixed base (without wheels) to facilitate wheelchair access. A subtly illuminated control button designed for use in low-light settings allows users to adjust the tabletop height by 300 mm.

The ATE-860 has an optional PC cabinet and monitor mounting arm so a PC workstation can be set up along with the instruments.

### ATE-860 tabletop

The tabletop sub-assembly of the ATE-860 contains the control panel of lifting column. The internal side of the tabletop contains various mountings arrangements and the inserts for fixing the PC / Synthesis furniture, the chinrest, and the slit lamp power supply.

The ATE-860 table has a tabletop with approximate dimensions of 950x550mm and can be located the control panel to the right or left of the user.
